1. What is your vision for your life and / or business?

2. Describe where you are with your existing business and explain your plans for the future and what you are thinking you want to do.

3. What are your 3 realistic mindset goals or changes you would want to achieve within the next 3 months. If you are not sure, write down the things you have been wanting to change in your life but not quite did.

4. Are there any challenges or blocks you have which stop you creating a successful life and/or business. Write also if you have tried anything to eradicate them but not quite worked.

5. What do you want to accomplish in the next 3 months as a result of working with me. List everything you would like to improve, change or achieve. Personal and Business. Include the income you realistically want to achieve. The number of hours you would like to work and the number of clients you want.

6. What difference would that make to you once you achieve this. How would your life be different.

7. Briefly describe what you want to gain from this wonderful opportunity. Uniquely U has been created with you in mind and is the perfect package for you to unleash your inner genius, set yourself free and become aligned with your higher self so you can get in flow and manifest all that you desire.

8. Please include anything else you think I should know about YOU or YOUR BUSINESS/CAREER.
